

“NEW” LEAGUE REGISTRATION

This is a detailed step-by-step guide

MEMBER LOGIN

From the home page of the SPN website (www.slo-pitch.com), click on **Member Login**.

When in the system, please read each screen carefully as they do provide instruction.

A Welcome message will appear.

If you already have an SPN online account with a username and password continue to use it.

NOTE: You only ever need ONE user account/profile. If you have forgotten your existing username and/or password, please use the “**forgot your username or password?**” links available on the login page. **If you are experiencing difficulty accessing your account, please contact SPN for assistance. DO NOT create a new account.**

If this is your first time in the system and you DO NOT have a username and password from a previous year, click on the words **New User? Sign up here.** (below the blue Login button)

Welcome to the Registration portal for Slo-Pitch National (SPN)

Logging in here will provide you access to many of our online services pertaining to teams, leagues, umpires and tournament conveners.

If you have previously created an account online please use your existing username and password in order to avoid member duplication. Please do not sign up as a new user unless you have never registered online with SPN before. If you have forgotten your existing username and/or password, please use the "forgot your username or password?" links available here. Please also ensure that spn@slo-pitch.com is added to your email safe senders list in order to receive registration and confirmation emails from SPN.

If you have any questions please contact us at spn@slo-pitch.com or call us at 1-416-674-1802.

You will receive an automated email message from spn@slo-pitch.com with a link. Please make sure spn@slo-pitch.com is on your safe email list so that the email does not go into your spam/junk folders.

Open the email and click on the link provided to continue with your registration. Provide all the required information on the **Create New Account** screen. Where available use the arrows to access options in pull-down menus.

Read the **Terms and Conditions** (click on the link at the bottom of the screen), check the box to indicate agreement, and click **Register** to proceed.

WAIVER

You **MUST** now read and accept each section of the **Waiver** in order to proceed in the system and to participate in SPN events. **(This is a MANDATORY annual requirement of all members.)**

NOTE: The Waiver is connected to your account so when you've read/accepted it a check mark will appear in the "Waiver" column beside your name on all teams you are on. If you've read/accepted the waiver but there's no check mark that's an indication that you probably have more than one user profile/account. You should only ever have ONE account so contact SPN and they'll straighten it out for you.

You will then arrive on YOUR "member details" page.

CREATE YOUR LEAGUE

Click **Create League** in the Quick Links menu on the left of the screen.

* Click on **New Division** and fill in the following fields:

*****INSURED MEMBERSHIP*****

The system automatically checks **Will the teams be insured?** That checkmark can be removed by clicking on it if you do not wish the insured membership option.

Under **Address**, please select how you would like us to send out the team packages.

- If you DO NOT check the box, packages will be individually mailed to each team contact.
- If you check the box, address options are available in a drop down menu. The **Shipping** option allows you to enter an alternate address (i.e. work) to what you have entered in your personal data.
