

COMPREHENSIVE GENERAL LIABILITY

This summary does not in and of itself provide coverage and it is subject to the terms and conditions which are set forth in the policies. It is intended only to provide basic details of coverage that are fully described in Master Policy on file with the Slo-Pitch National office. In the event of any inconsistency, the actual policy will prevail.

General Liability Insurance is designed to protect a person against legal responsibility arising out of a negligent act or failure to act as a prudent person would have acted, which results in bodily injury or property damage to another party. Any individual involved in your activity can claim damages as a result of an injury. Even though you may not be negligent in your actions, defence costs alone can be financially devastating. This policy will provide protection for both legal defence costs and any compensatory damages that may be awarded, subject to the limits and conditions of the policy. Transferring your risk to an insurance policy provides you the opportunity to run your activity with peace of mind.

What activities are covered?

All approved Slo-Pitch activities. If you require clarification please contact your Provincial Slo Pitch office or the Slo-Pitch National office.

Important Notice: This policy is not meant to respond to any claims involving damage to a third party's windshield. SPN will not be involved in the resolution of any windshield incident. Windshield claims should be handled by the local member league in the appropriate manner.
